FOREWORD

As you leaf through this 1974 "Redskin," we, the Camden-Frontier Redskin Staff of 1974, hope it will revive many pleasant memories of your past here at Camden-Frontier.

Our advisor, Miss Pontius, has spent many tiring hours giving us her assistance with our questions and problems.

We sincerely thank her for her devoted efforts in helping with this - our 1974 "REDSKIN."

- 1974 Redskin Staff

DEDICATED TO:

MRS.
ROBERTA
JANSEN

It was thirteen years ago
That we came here together
We've watched each other
come and go
In every 'clime' and
weather

Now that graduation nears
We look in retrospect
To those who've helped to
fill these years,
And caused us to reflect

In choosing books you've
spent much time.
That we might learn and
grow
You've added slides and
cassettes fine
For our enjoyment we know.

Greater dedication cannot
be found
In library book store or
stall.
We're blessed that you have
been around
Of your knowledge to share
with all.

APPRECIATION

As we see our high school days here at Camden-Frontier drawing to an end, we seem to realize, more and more, that if it were not for the guidance of two special people, many of our activities and happy times together would not have been possible. These two people are, Betty Sue Peters and Paul A. Briner.

Their years of past experience and their willingness to work with us in any way possible has been appreciated more than they will ever know.

Many long hours of work and sacrifice have been put forth, on their part, for our benefit.

So we, the Senior Class of 1974, say - Thank you.

Let me out of here!

Let's get this show on the road!

Dish it up!

Professional Girlwatcher.

Stop tickling me
Ma!

"Rock On."

But Ma, I didn't do
it!

If you got the
money baby, I
have the time.

I always get a flat
when there is no
man around!

"Who, Me?"

Mr. Big Stuff.

Have you seen my
Teddy Bear?

Trick or Treat!

Sure! At your place
or mine?

Get off my back.

Oops!

Oh no!

We're going to
have a really "big
shew."

Would you
believe, I made it
myself!

Who put the tack
on my seat?

Can't a guy have
any privacy?

Seen any guys
lately?

Me and My
Shadow.

Hey, where did you
get these?
